*Do not seek to follow in
the footsteps of the men
of old; seek what they
sought.*

Matsuo Basho

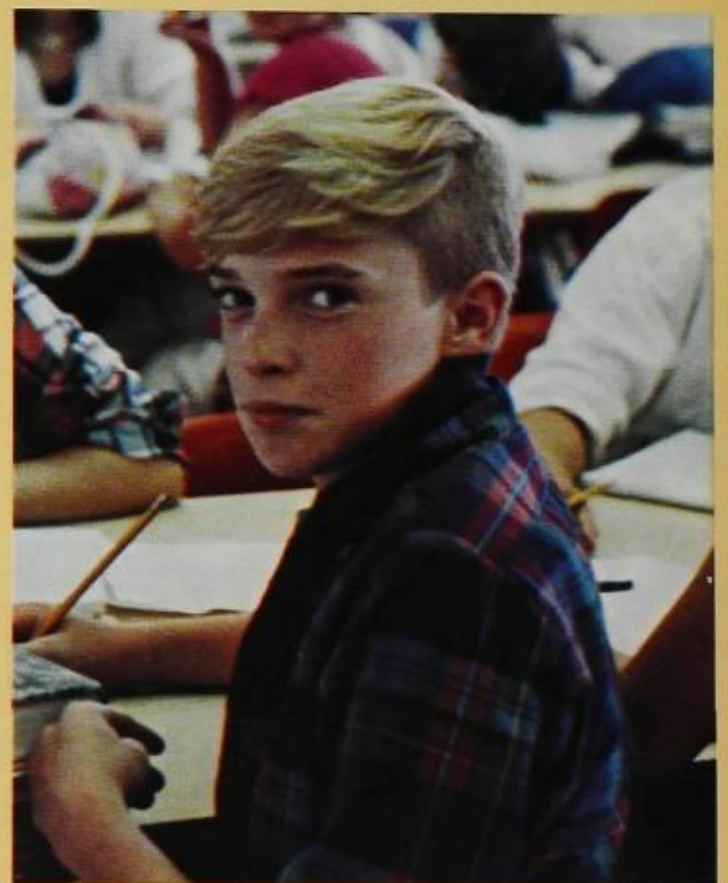

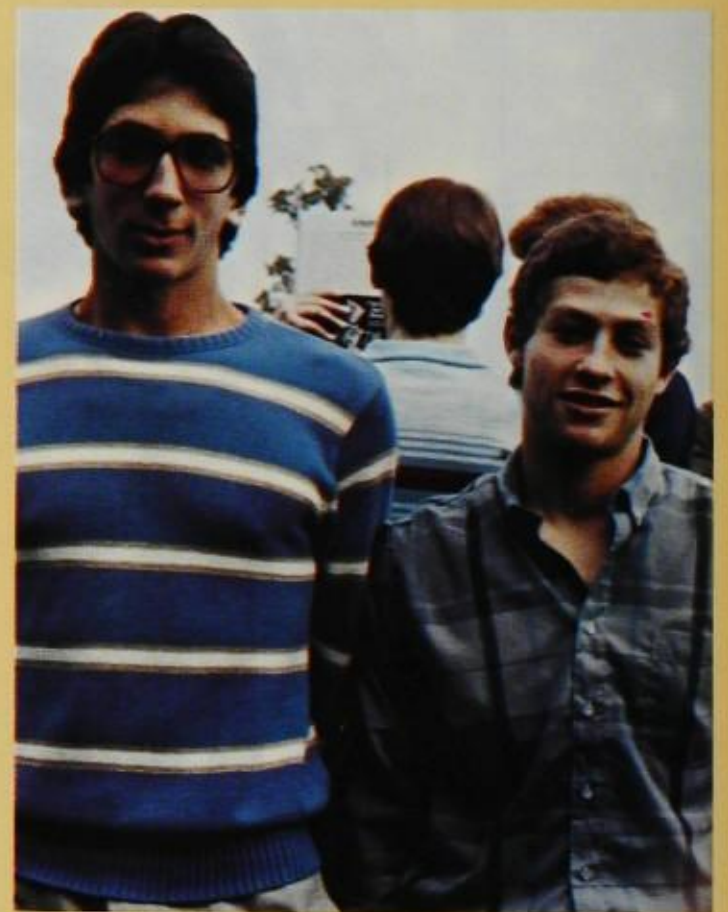

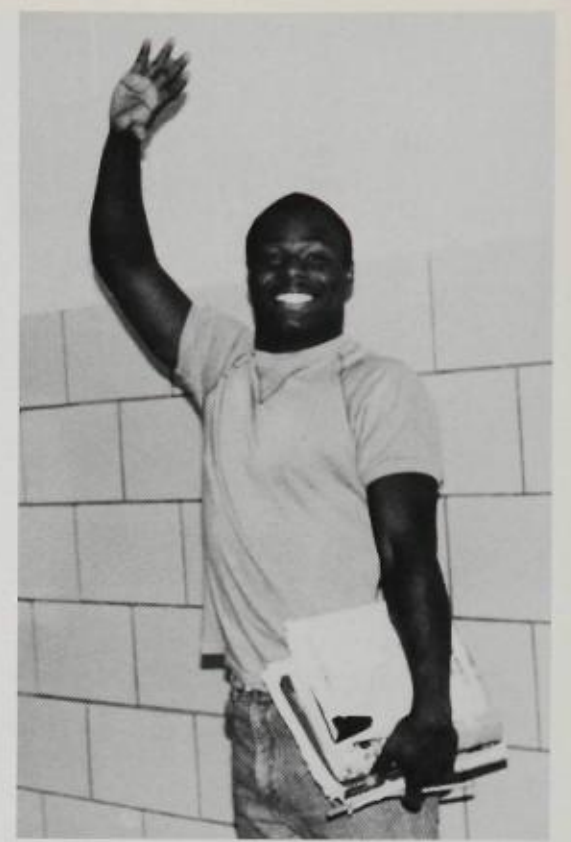

*Do not seek to follow in
the footsteps of the men
of old; seek what they
sought.*

Matsuo Basho

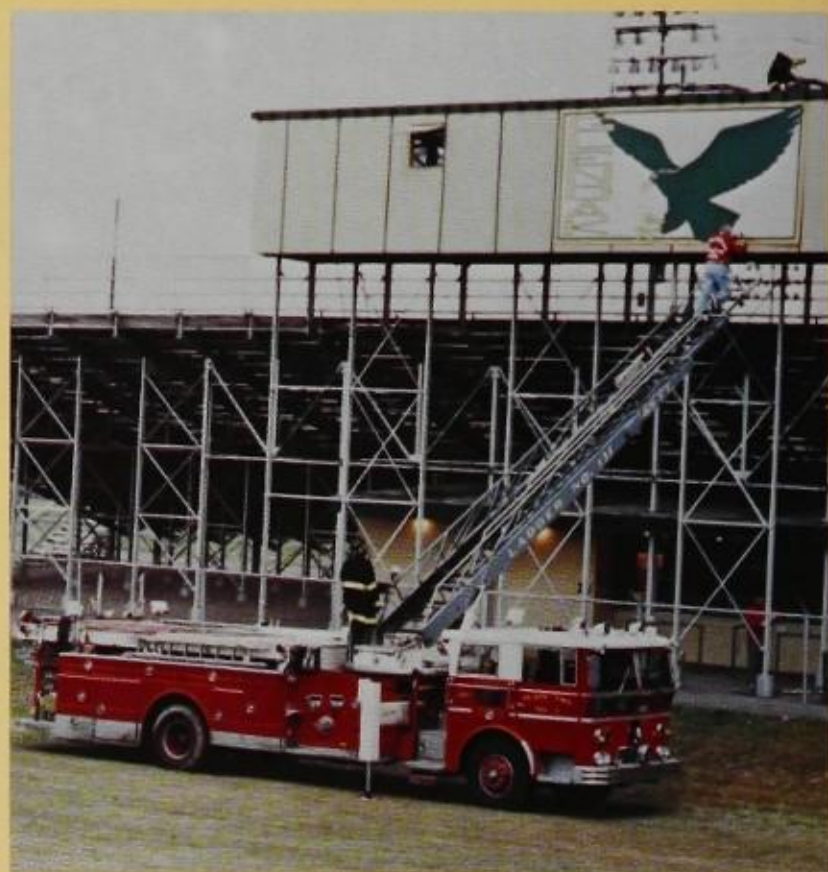

*Live all you can; it's a mistake not to.
Henry James*

*No one knows, what the
future holds. You make
the choice of how it
goes.
Kenny Loggins*

*How many roads must a man
walk down before you can
call him a man?
Bob Dylan*

Everyone is a genius at least once a year, the real geniuses simply have their bright ideas closer together.
George C. Lichtenberg

*One must have the courage
to say "no" even at the
risk of displeasing others.
Fritz Kinkel*

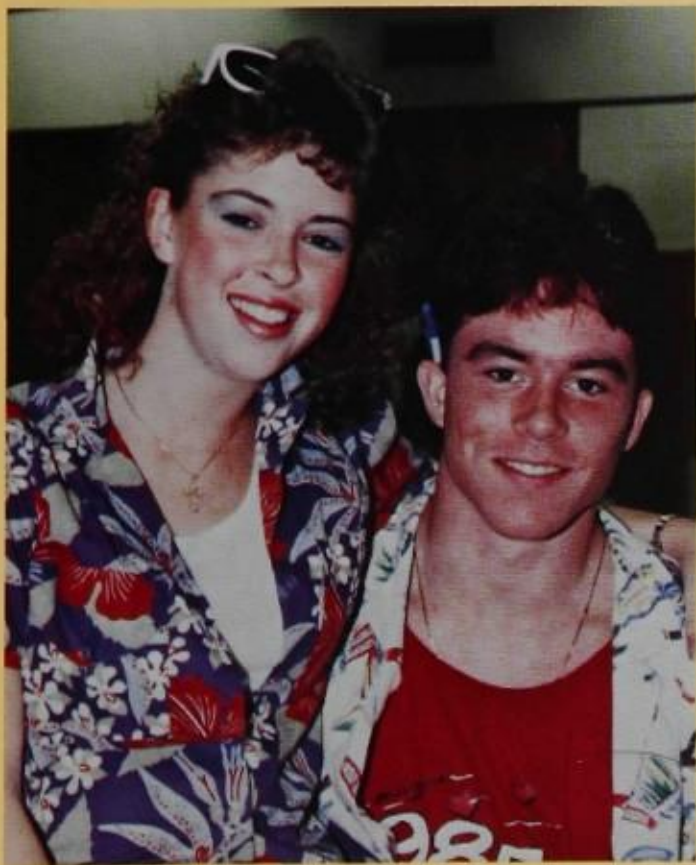

*We should behave to our friends
as we wish our friends to behave
to us.*

Aristotle

*Goodbye doesn't mean forever,
goodbye doesn't mean we will never
be together again someday.*

Outstanding Senior Girl

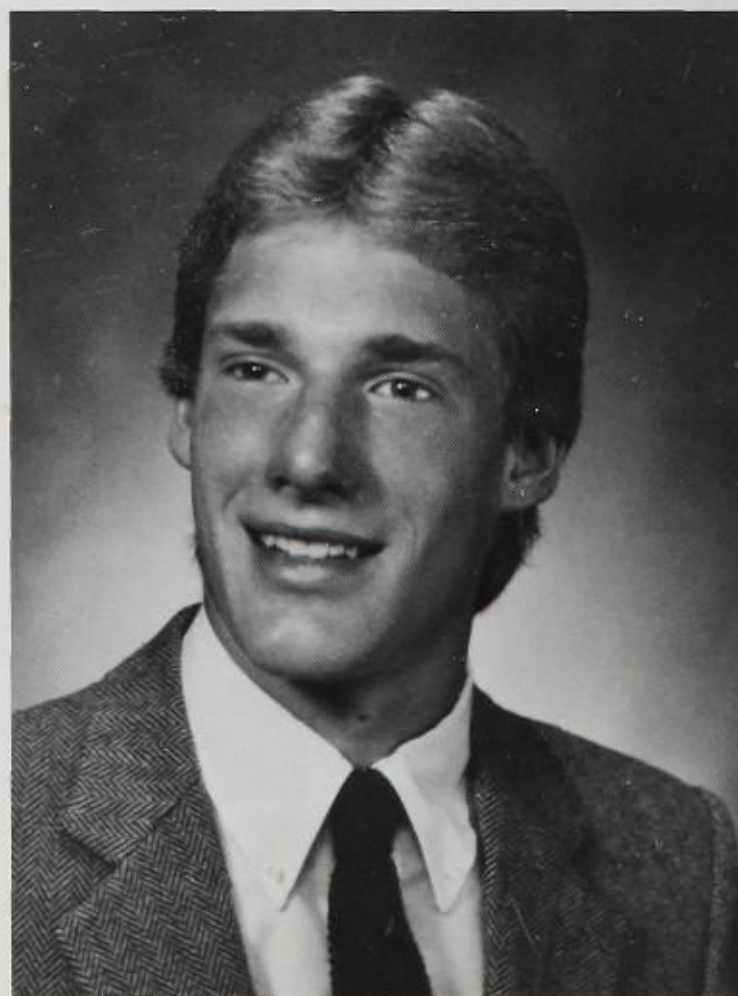

Maria Correale

Maria Correale demonstrates enthusiasm to a degree shared by few other people. Her genuine, honest smile is an indicator of the energy and warmth Maria has shown at GlenOak. Her leadership in Student Council, Girls State, yearbook and many other school activities is coupled with service in church groups and Teen Institute to present the picture of a complete human being. Maria's academic achievements, her array of talent, and her friendliness are exceeded only by her concern for others and her efforts on their behalf. The faculty and her fellow students have had many school days brightened by Maria's sense of humor and her genuine concern for others.

Outstanding Senior Boy

Dignity, consistent superior effort, and an amazing array of interests characterize Kevin McPeck and his career at GlenOak High School. Kevin is probably best known for his athletic achievements, but he is also a superb student, an accomplished pianist, an active member of his church, and a volunteer in many school and community organizations. Kevin provides excellent leadership by example. Student Council, various class offices, and many support groups and activities have grown and developed as a result of Kevin's efforts and the direction he has supplied. The quiet example provided by Kevin McPeck has enriched the curricular and co-curricular activities at GlenOak High School.
